PREMIER ALBERTA DEFENDS RECENT LEGISLATION

Service To The Public Keynote of Postmasters' Convention Held Here

Upwards of Sixty Present
Representing All Sections Of
The Peace River Country

Non-Partisan Policy Postmaster General Commended
In Resolution --- Promotion On Merit As Basis
Strongly Stressed --- Next Convention To Be Held
At Dawson Creek.

Upwards of sixty attended the Postmasters' Convention held in the Regatta Hall, Grande Prairie, on Wednesday and Thursday, September 9 and 10.

The majority of sections in the Peace River, including the B.C. Block, were represented.

The keynote of all the speeches was service to the public and how best to improve it.

The business of the first day was taken up with registration and getting acquainted.

The convention settled down to business at 2:00 o'clock after the meeting was called to order by chairman L. MacDonald of Edmonton.

The following from the outside were present: W. H. Morgan, District Superintendent; S. E. Turner, president; and Charles D. Griffith, secretary of Saskatchewan branch, and also Major Hale, District Superintendent, and George Beaton, Chief Clerk at Edmonton.

In opening the fourth annual convention the chairman said that it was rather unfortunate that harvest had started so early as it prevented many from attending.

In referring to the benefits of conventions he observed that they were a sort of clearing house in which difficulties are threshed out and more efficiency obtained.

Continuing, Mr. MacDonald said that more efficiency and better service to the public were among the objectives of the Association. The fact that officials of the department met at conventions thus changed in the postal service made such conventions beneficial all round.

The chairman in concluding his remarks said that he had served the public as postmaster for twenty-one years and he was still prepared to give further service.

At this point several wires were read from postmasters and postmistresses in the Peace River, and also from officials in practically every province, expressing regrets at not being able to attend and wishing the convention every success.

The chairman then called upon Mayor Tooley, who welcomed the visitors on the part of the town.

He complimented Major Hale and those assisting him on the efficient way the flood control was met last year. The mayor observed that he looked on good authority that there was to be no government in air mail service in this north country and he hoped that Grande Prairie would be in the direct line.

G.P. School Fair Sept. 12 Opens With Parade

The Grande Prairie and District School Fair will be held in the L.O.F. Hall on Saturday, September 12. Judging will commence promptly at 11 o'clock in the hall. Live stock and poultry exhibits will be exhibited one block south of the hall in the yard adjoining the Distributors' building. Live stock judging will start at 3 o'clock.

This school fair is a splendid chance for the whole community to inspect the various schools in the district. Parents and friends will find a very profitable afternoon to themselves and the children if they will attend these activities.

A school fair is simply the exhibiting of work done by the district's young people in both school and live stock sections. The prize money is small and it requires the support and cooperation of both parents and children to make such a fair a success.

W. I. Arranges For Baby Clinic To Be Held Next Week

Believing that the annual baby clinic sponsored by the Women's Institute of Grande Prairie meets a need in the community, it was decided at the regular meeting of the W. I. on Thursday, September 10, to again conduct a clinic this fall.

Mrs. J. Lawrence was appointed to make arrangements, assisted by Mrs. O'Brien and Mrs. Charters. Mrs. J. Korr and Mrs. G. Carroll have kindly consented to give their services for this valuable work.

The matter of supplying the curtains for the baby clinic was discussed at the meeting and it was decided that the curtains should be kept up. Anyone wishing to donate curtains should bring them to the room for the convenience of out-of-town women who might bring theirs.

The report of the waiting house was given by Mrs. W. Sharpe.

Mrs. J. Charters read the report of the constitution conference held in Grande Prairie July 11.

Roll call was answered by "School- Day Memories," which were all of a humorous nature.

Tea was served by the hostesses, assisted by Mrs. Wishart and Mrs. Spiller.

The next meeting will be held at the home of Mrs. Hillman on October 1.

Councillors Meet In Special Session Wednesday Night

Grande Prairie will have a large and modern new hotel in the future, now that council gave its final assent after examining the plans at a special meeting Wednesday night.

The plan came from Frank Donald, who has already started construction on a large brick veneer building on lots 9, 10 and 11, almost directly opposite the new Capital Theatre on Third Avenue South.

A delegation of bankers protested because of further increases for the hotel, saying that it would be a burden on the community.

Later an application to operate a barber shop in Don Wishart's restaurant was received from Mrs. G. Giroux and accepted on the grounds that a suitable partition was being built, and sanitary and health requirements were met.

Three applications for new street lighting were read and tabled to another meeting.

The town fathers really began to think that property had turned the town upside down when they read the many offers for real estate and building property owned by the town.

Then ended up by turning over a fair amount and left some for further thought at another meeting.

Considering that the town was well acquainted with the work he has been doing for some time, the council pointed out a town foreman.

The council hired E. M. Beattie for the job of town foreman. The council also hired E. M. Beattie for the job of town foreman.

Wanham Shows Steady Advance In Last 3 Years

The Tribune representative visited the important meeting of Wanshan last week after an absence of some time.

The writer's first introduction to the people of Wanshan was during a visit to the Wanshan Hotel during a recent stay.

From what the writer saw and heard it was evident that the hotel was a very fine one and it was with pleasure that he saw it.

He was very pleased to see so many people and he was sure that all were anxious to hear the Premier and Dr. Cross.

The Minister of Health at the end of his address created considerable interest when he observed "When you are in Wanshan, you are in the heart of the country."

Miss Bertha Macleod has gone to Grande Prairie to reside for the school term so that she may be able to take grade 12, as they are not teaching this grade in the Sexsmith High School.

A MORE OR LESS TRUE STORY

One day last week Ed Morgan wanted to replenish his stock of meat and went gunning for ducks and within a short time he brought down seven. Whether he brought these seven down with one shot or took seven shots for each duck is not very clear, as accounts are somewhat garbled, however the fact is clear that he got seven ducks.
Ed has an ice well on his farm, and he thought this would be a good place to keep his kill for the night. Next morning just as the sun was appearing over the horizon Ed woke up and heard considerable quacking going on not very far away. He grabbed his trusty gun and went out of doors, partially garbed, and at first could not locate just where the sound of quacking was coming from. Finally he went over to the ice well, and there were the seven ducks holding an indignation meeting, most of them complaining of cold feet.
Up to going to press we have not heard just what was the ultimate fate of those ducks.

SCHOOL CHUMS HELP CELEBRATE BIRTHDAY

Miss Anna Macgown, who lives seven miles west of Sexsmith, celebrated her fifteenth birthday anniversary on September 1. There were 32 of her school chums present. In the afternoon ball games were indulged in, and at 6 p.m. all set down to a turkey dinner, with all trimmings. The celebration was a most successful birthday cake, baked and presented by Mrs. J. A. Macleod, with Anna's name and year on it. Also with 15 candles arrayed around it in orderly fashion. At the end of the supper all empty spaces, if any, were filled up with ice cream.
We wish to take this opportunity to wish Anna "many returns of the day."

HAVE HOUSE-WARMING PARTY

On August 22 last Mr. and Mrs. Ed. O'Brien held a party, this being in the nature of a house-warming, as they had just recently moved into their new dwelling. There were 30 guests present, a delicious dinner was served.

ASPIRIT RIVER TO TAKE PART IN THE FEAST

Dancing was the order of the day, or rather the night—and the music was supplied by Mr. J. A. Macleod and Mr. Frank Macleod. Mr. J. A. Macleod was floor manager and kept the couples moving.
Lunch was served at midnight, after which the dancing was resumed until about four the next morning, when the guests wended their way home, after a most enjoyable evening.

BEFORE LEAVING, THE COMPANY ALL JOINED HANDS AND SANG "Auld Lang Syne" and "For They Are Jolly Good Fellows."

It was the consensus of opinion that this dance in the Sexsmith High School should hold these parties quite regularly.

SHOOT A BIG BLACK BEAR

Last week Stan Warren and Bob Shaw sallied forth in a quest of ducks. As they were driving down the Klaskan Lake they saw a big black bear crossing the road in front of them. The car was stopped and a council of war held, as to just what would be the method to get the bear. Now for one person to surround anything is quite a job, however luckily just at that moment another car was in sight and reinforcements arrived in the persons of Mr. H. M. and Mrs. Macleod. This made the four-man job more simple.
Stan drove to Walter Spry's and secured a 300 rifle, also two more recruits. Things started to look much brighter for the Allies and the "big push" was on. Finally, after some searching, the enemy was discovered and a well-directed shot from the rifle in the hands of Stan Warren split him to the bears career.
Brain weighed somewhere around 300 pounds and measured six feet from the point of his snout to the tip of his tail. Of course the tail part did not add much to its length, as you all know that a bear has not got much of a tail.

TOMMY'S BIRTHDAY WAS A "HOWLING" SUCCESS

Through the kindness of Mrs. J. Walker and Mrs. H. M. Macleod, Tommy Macleod was able to give a party to a few of his young friends on the occasion of his ninth birthday, and same was a "howling" success.

Howling is the correct word to use, and it is noted time is indicated by the amount of noise, then the day was not altogether lost.
Tommy was the recipient of many nice presents and thinks these parties are good business.

Those present were: Vera Walker, Dolphine Brown, Rita Roberts, Shirley Macleod, Mrs. Macleod, Ronald Olson, and McNaughton, Roland Olson.

LEAVE FOR CALIFORNIA

Mr. Marion Emerson and Mrs. F. R. Edmonds of Bonanza, California, have been visiting with their sister, Mrs. H. J. Macleod, for the last few weeks. They left last week for home, by car, and were accompanied by their niece, Miss Gwenn Johnston, who expects to attend Ponson High School during the winter.

RAYMOND TRAHAN ALSO CELEBRATES BIRTHDAY

Raymond Trahan celebrated his fifth birthday anniversary on September 5, and had a number of his little friends in to keep him company for the big day. After playing around for awhile to work up an appetite, which was really unnecessary, as that is a chronic state with most kiddies, supper was served, and everyone did ample justice to it.
Those present were: Billy Roberts, Dorothy Peterson, Agatha Elms, Terry Kistner, Cliff Ross, Buddy McGee, Roy McGee, Billy McGee, Viola McGee, Velma McGee, Johnny Brown, Gladys Boyd, Marjorie Boyd, Clara Trahan, Joseph Trahan, Lawrence Trahan, Mrs. McGee and Miss Alene McLellan.
